Our Safeguarding Guidelines are

* A formal statement of adoption of the House of Bishops' 'Promoting a Safer Church; safeguarding policy statement'. This should be signed on behalf of the PCC. Should you not have a copy of this document it can be found on the Diocesan Website in the Safeguarding Section
* Ensure information is displayed about how to contact the DSA(s), Parish Safeguarding Officer and how to get help outside the Church with child and adult safeguarding issues. Local contact details relevant to your area can be found in the "Useful Contacts" section on the Diocesan Safeguarding Policy. (You may wish to use the „Model Safeguarding in Your Parish – Who's Who" that can be found in the Parish Safeguarding Handbook and the supporting documents section of the Diocesan Website)
* Ensure that safeguarding arrangements are clearly visible on the front page of your parish web site including a link to the safeguarding information on the Diocesan Website. If your parish does not have a website, you may wish to include some information in the entry on the website A Church Near You
* A copy of your parish safeguarding policy statement (using the model document that was contained within the last mailing)
