Harvest Festival 2020

Sunday 4th October

This year Harvest Festival at St. Andrew's this year will be quite a low key celebration, compared to previous years. As with so many areas in life, coronavirus dictates what we can and cannot - or should not, do.

We usually ask for donations of fresh fruit and vegetables to help decorate church we are asking that no one donates any fresh produce, but instead contributes to the ongoing Food Bank appeal, which at the present time is more practically. Many thanks to everyone who in the past has supported our Harvest weekend and all that went with it. Hopefully, next year, we will resume normal service. Once again thank you everyone.

White Chasuble

Unfortunately some years ago the white chasuble (the large ornate outermost colourful vestment Tony and Myself wear as we celebrate the eucharist) was destroyed during a burglary at church. As a PCC we would like to replace this with something that will bring colour to our worship. We wear the white chasuble at times of celebration

within the church, Christmas, Easter, and other times of great joy (I'll be writing an article for a future parish magazine which will talk more about the vestments we wear in church and what they mean). We believe it would cost in the region of £350-400 for something which will look good and not look out of date soon. If you would like to contribute towards this just let Michael know.

Deaths and Sick List

Usually in this space we'll include those people who we are remembering in our prayers because they are unwell. As well as those who have died recently and those in a years mind. I just haven't been able to arrange this in time, but we will be including it soon.

Rev John
